OLD HAM AND CAKE

WILL BE FEATURES OF MENU
AT FAIR DINNERS

Mr. and Mrs. Sam J. Embry To Have
Charge of Meals Each Day—
Record Breaking Crowds
Seem A Certainty

Yum! Yum! Yum!
About a score of Lincoln county ladies have agreed to contribute home-made cakes to the dinner which will be spread each day during the great Knight of Pythias fair to be held here next Wednesday, Thursday and Friday. A dozen or so old country hams are also arranged for, and the "feet" that will be set before those who go to the fair grounds to make a day of it, will be something fully worth the price of admission, alone. It's going to be "some" fair believe us, and not a detail is being left undone by the K. P. boys to make "er the greatest success ever known in the history of central Kentucky fairs.

Owing to the serious illness of the little son of Mr. and Mrs. James H. Wright, they were compelled to give up preparations for handling the fair dinner, so the directors prevailed upon Mr. and Mrs. J. Embry to take charge of this difficult task, and have gone actively to work arranging and preparing the "ingredients" for the best fair dinner that has ever been served in the state of Kentucky, and that's covering a lot of territory. With old country hams, beaten biscuits, fried chicken and the cakes contributed by the ladies, the menu ought to please the veriest epicure, and undoubtedly will. The list of ladies who have so generously contributed the cakes above mentioned is as follows: Miss Ophelia Lackey, Miss Martha Searcy, Miss Annie McKinney, Miss Ellen Ballou, Mesdames W. M. Bright, S. M. Sautley, Tom Pence, W. B. Hill, Lucy M. Bartley, A. C. H. Emory Phillips, T. W. Jones, Bettie Bush, E. P. Woods, J. C. Eubanks, J. W. Williams, J. S. Rice, Will Martin, George DeBorde and J. W. Baughman.

A force of men has been busy all this week working on the fair ring and the amphitheater, arranging the stalls for various stock, the floral hall, etc. Accommodations have been prepared for over 100 hogs at the fair this year and this promises to be a most important feature of the coming exhibition. Secretary Walton and his active assistants, Dr. T. W. Pennington, and President Harris, Vice President Beazley have been as busy as bees all week. Secretary Walton, with a lot of catalogues and other literature, headed a delegation of boosters to the big Broadhead fair Thursday.

Everything will be in readiness by the time the opening bell taps. A record crowd from all over this and adjoining counties is assured, and all that is needed is good weather, for which everyone is praying. All of the stores in Stanford have agreed to close up each day of the fair at noon, next week. This includes the banks, drug stores and all business houses, except the L. J. office which will be pretty busy about that time printing the Daily Interior Journal for the ladies of the Woman's Club.

McCray Bros., of North Middletown phoned this afternoon that they would be here Saturday with seven show horses for the fair. They have a fine string.

The premium list, with the exception of the floral hall, offered for the three days' fair is as follows:

THE WINCHESTER OPENING

It has been definitely decided that Vice President Thos. R. Marshall and Congressman Thos. F. Hefflin, of Alabama, will be the principal speakers at the Winchester Opening of the Democratic Campaign on September 9th. It is also probable that Hon. Scott Ferris of Oklahoma will address the crowd that is expected from all parts of the state. All are orators of the renown and will interest, educate and electrify. The people of Winchester and Clark county are working day and night to make the opening the greatest in the history of the state and they are of the character that know no such word as fail. With the flow of oratory, the feast of barbecued meats, burgoo and other eatables, all of which are assured that they will feel that it is good to be present. Everybody is invited and expected.

Great Fair at Broadhead

Over 3000 People There Second Day
and Rings Splendidly Filled.

All roads have led to Broadhead for the past three days and most of them have been full of people on their way to what some call the "State Fair" of Rockcastle. Lincoln county has furnished her full quota of people and stock and now wants the good people of Rockcastle to return the compliment by coming down in several squads to the Knights of Pythias Fair at Stanford next week.

The show of stock Thursday was exceedingly creditable and the crowd numbered 3,500 or more. The gate receipts amounted to \$600 and as the tickets are 25 cents to adults and 15 cents for children it will be seen that 3,500 is a very reasonable estimate. Lincoln county people who had stock there got a large number of premiums, some of the biggest and best offered by the association going to them. The order was perfect and the fair was conducted as it should have been. The officers and directors were on the job to a man and saw to it that everything went smoothly and that their guests were all provided for. There are no races this year but some of the harness class rings are so speedy that one feels as if he is watching sport all most as good as that found at Lexington during the Fall races. J. G. Frith, president, A. M. Hiatt and Jno. Robins, Secretary, Treasurer, respectively, were untiring in their efforts to see that everyone was cared for and had a good time. That they succeeded can be proven by every Lincoln county person present. Following is the list of the principal awards the first and second days:

Prettiest twins, boys or girls, under three years, Mrs. R. H. Hiatt.

Prettiest girl baby under 18 months, Mrs. Edgar Tyree.

One ring on the first day had 28 entries. Many of them had 10 to 15. The stock show was of a high class and the floral hall and farm products exhibitors were highly creditable.

LIGHTNING'S QUEER PRANK

A dispatch from Liberty says that D. G. Elliot, who was mowing hay, cut down two of his pet dog's legs, and while he and another man were discussing the dog's bad plight, a bolt of lightning struck the dog, knocked down the bystander, and also Mr. Elliot from the mowing machine. Neither Mr. Elliot nor his friend was hurt, but the dog was killed.

TO WHOM IT MAY CONCERN

Mrs. A. P. Huna is using all sanitary precautions, even boiling all water used in cooking and drinking. No cases of typhoid fever have been reported to the Board of Health due to any infection on her property and her house is properly screened from flies and mosquitoes etc.—J. G. Carpenter, Health Officer. All water on premises has been sent for analysis and when water is returned the result will be given through the Interior Journal.

Scudder Loses Father

Splendid Old Gentleman Dies At His Home In Madison County.

Richard S. Scudder, of McKinney, this county has the sympathy of a host of friends in the loss of his father, Ira Scudder, who died at his home on the Red House pike out of Richmond in Madison county Monday, after a short illness of pneumonia. Mr. Scudder was in his 83rd year and was one of the most highly respected and esteemed citizens of Madison county. He had been in good health up until Sunday when he took ill and sank rapidly. The Richmond Register, published in his home city, said the following of him:

Mr. Scudder was a splendid specimen of the fine old Southern gentleman, and was universally beloved by his friends and neighbors. He was an ex-Confederate soldier, having been a member of Col. Waller Chennault's regiment of Morgan's cavalry. He was a man of the strictest integrity, and highest character, fit for the example and emulation of the youth of today. He was twice married, first to Miss Laura Hockday, by whom he had four children, who are Dr. James Scudder, of Richmond, Robert Scudder, of Glendale, Ariz., Richard Scudder, of Lincoln county, and Mrs. A. D. Collins, all of whom were still living when he expired. After the death of his first wife, he married Mrs. Eliza Ogg who survives him. To all of the family the deep sympathy of their friends is extended in their bereavement. The funeral services were held Wednesday, following by the interment in the family burying ground.

Baby Has Appendicitis

Little Julian Wright Operated Upon And Condition Is Serious.

Julian, the four-year-old son of Mr. and Mrs. Jas. H. Wright is very ill at the Danville Hospital, with appendicitis, for which he was operated upon by Dr. Jackson, of that city. The little fellow was runny, and it was made, to be in a very serious condition and for some time his life was despaired of. Latest advices from his bedside, however, are that he is holding his own well and his loved ones are greatly encouraged. The little fellow has been complaining of pain in his stomach for several days but his parents thought that it was simply a childish ailment, and doctored him accordingly. He became very ill Tuesday night, however, and Dr. Jackson was called in, and after a consultation with Dr. Jackson, who came over, it was decided to take him to Danville to operate. The case is considered a rather remarkable one, in that a child so young should be afflicted with this disease.

ROAD ENGINEER.

OBENCHAIN'S FATHER DEAD

Maj. Oberchain, a member of Gen. Lee's staff, and for many years president and professor of Oglethorpe College died Thursday at Bowling Green. He will be buried in his Confederate uniform. He was father of W. A. Oberchain, State Inspector of Roads, who has been in Lincoln county a good deal recently inspecting the new state-aid road to Crab Orchard.

LABOR DAY AT LEXINGTON

The Blue Grass Federation of Labor is arranging for a big celebration at Lexington September 2nd, when Honorable W. B. Wilson Secretary of Labor in President Wilson's cabinet will deliver the principal address at 7:30 that evening. There will be other speakers and a great time is anticipated. A general invitation is extended to the public and all organizations of labor.

OFFICIAL VOTE IN EIGHTH

The official vote in the recent primary in the 8th congressional district shows that Congressman Harvey Helm received 8,921 to 3,093 for Senator Montgomery. In the primary of 1912, in the Republican primary L. T. Neat won over R. L. Davison, 2,724 to 2,042.

POLLY ANN

Farmers have been very busy sowing hickweed for the past week. There has not been very much sown in this neighborhood on account of the dry weather. Some did not get to sow any, their ground was so hard they couldn't plow it at all. Corn is looking fine. Tomatoes are ripening nicely. We have seen several wagon loads pass thru here from Casey en route to the Eubank cannery factory.

Mr. Daniel Newsom had over a hundred cans of beans put up.

Mr. J. C. Ester wife had a chicken hatch on twelve eggs and she hatched fourteen chickens. Beat that, poultry raiser.

Mr. Crit Floyd and two sisters, Misses Annie and Lillie were the most guests of their uncle, Doc Elliot, at Harrodsburg and attended the fair while there. They report a nice visit. Crops were looking good up there.

"Aunt Ann" Floyd has returned home from Mt. Olive where she has been visiting her nephew, Mr. Simon Elliot. She helped to wait on her great nephew, Mr. Foster Elliot who had the misfortune to have a tree fall on him. We are glad to say he is getting along as well as could be expected. He can walk around in the house now.

Mr. Paul Francis, and wife and little son, of Covington have been visiting his aged father, "Uncle" Charlie Francis for the last two weeks. They returned home last Sunday.

Work on Danville Pike

Is Started by One Crew of State-Aid Road Builders.

With the state-aid work on the in-town county road from Stanford to Mt. Vernon, almost completed on the Crab Orchard pike, the Wilmore Construction Company has transferred one crew of men and one of its two road making plants to the Danville pike, which is being put in a splendid shape. There are only a few more miles to complete on it and it has been estimated that it can be completed in ample time before bad weather sets in.

The crew, which will start on the Danville pike, will begin at the Lincoln line and work this way, as fast as possible. Boyle has her portion of the road about completed and with the Lincoln end of the line in similar shape the roadway from Stanford to Danville will be hard to improve upon. When this stretch of road is completed, a complete system of 20 miles of splendid turnpike, approaching the proportions of a boulevard will be finished from Danville clear thru to Crab Orchard.

The Gus Geizel road crew, which reconstructed the road out of Crab Orchard to the Rockcastle county line, was transferred this week to Hustonville. After some work in the town, it will go to work on the pikes in the West End section where it is on at full blast in Lincoln and the pikes are going to be in splendid shape, if the present rate is maintained for a few years.

Good Road Notes

The making or improving of roads is not a matter for the Fiscal Court and Road Engineer alone.

We must have the co-operation of the people.
